As we discussed, the pictures mentioned during the interviews would be helpful. Other pictures, if you think demonstrate concern regarding the actions of the recipient, can also be submitted. I think having them by the end of the month would be terrific. I hope you have a wonderful holiday.

Thanks for the note.

We very much want the opportunity to provide info that might be most helpful. We will follow up on the items we've discussed providing during these calls, but we would also greatly appreciate any information about what else might be useful.

As Ex. 6 Personal Privacy (PP) suggested yesterday, it would be great if we could organize a site visit and additional meetings or interviews in the community. Would photos of the roads and bridges also help?

Best,

Marianne

Yume-

It should be the same one as today. I will have to double check with our administrative assistant to make sure another meeting isn't using it at that time when I arrive in the morning, as she has already left for the evening. Either way, I will advise you first thing in the morning upon my arrival.

Subject: Tallassee Title VI Complaint, Follow Up

Dear Debra, Betsy, and Jonathan,

This email follows up to ECRCO's interview with **Ex. 6 Personal Privacy (PP)**,
Ex. 6 Personal Privacy (PP) last week and, particularly, ECRCO's request to speak with **Ex. 6 Personal Privacy (PP)** who
drives the school bus that serves the Ashurst Bar/Smith community.

Although **Ex. 6 Personal Privacy (PP)** is not available for the 4 P.M. Eastern/3 P.M. Central interview today, it is
our understanding that **Ex. 6 Personal Privacy (PP)** can be available to speak tomorrow, November 13, from 9
A.M. – 1 P.M. Central (10 A.M. – 2 P.M. Eastern). **Ex. 6 Personal Privacy (PP)** works two jobs, and it is unusual
for her to be free during working hours.

We understand that this is short notice, and we can also explore **Ex. 6 Personal Privacy (PP)** availability in the
coming two weeks. Please let us know.

Yours,
Yume
